

P.O.W.E.R Mastermind™:

Where You Choose to Live Your Legacy.

Your business, career and life can transform when you choose to show up authentically, let down your protective walls and connect with other amazing women to leverage their shared experiences and collective intelligence.

It's not possible to have all of the answers. To have figured it all out alone.

What would change if you were part of an intimate and confidential group of eight women who are committed to:

- Thriving at work and in life.
- Having exceptional careers - not at the expense of the things that are important to them.
- Carving out strategic time, monthly, to get clear about what's important.
- Dreaming big. Playing big and making things happen.
- Learning and growing as leaders and human beings.

A P.O.W.E.R Mastermind™ is an intimate and confidential yearlong opportunities for 8 amazing women.

P.O.W.E.R Masterminds are not open to everyone.

They are solely intended for women who truly want to be living and leaving a legacy.

How does a P.O.W.E.R Mastermind work?

- Monthly 3 hour structured and facilitated sessions. (Dates are preset by the group)
- At each session everyone will share their updates and present topics that are transpiring in your life so you can benefit from the group's collective experiences.
- Each year there will be a weekend Reboot Retreat that is a combination of work, fun and relaxation.
